Dear Parent/Guardian,

Thanks to everyone who joined our online information meetings for parents of 3<sup>rd</sup> Year and Transition Year students this week regarding programme/subject choices for senior cycle in the 2022-2023 school. There was a lot of information given in relation to all the various options. We have produced a number of presentations in video format to assist you and your son/daughter further in making decisions regarding senior cycle. Please click on the links below to view the respective video presentations. Students will be given further advice in school from the Guidance Counsellors and the Programme Coordinators before they are required to submit their choices before 25<sup>th</sup> March 2022. If you have any further questions or queries regarding the various options, please do not hesitate to email them to the dedicated email address below.
